Carrera 2.7: The Soul of Porsche's Legendary Carrera 2.7 RS Lives on Within the Carrera 2.7 MFI
Ryan Snodgrass

Serious automotive enthusiasts consider Porsche's Carrera 2.7 RS to be the archetypical 911...and deservedly so. The cars are light, responsive, purposeful and the type 911/83 engine delivers scintillating performance. Over the last 40 years the 2.7 RS has been covered in dozens of books and articles. Yet its successor - a car with the identical engine and similar DNA - remains either unknown or misunderstood even by long-time Porsche enthusiasts. That car is the Carrera 2.7 MFI. This book tells the complete story of these remarkable, unheralded sports cars.

The Carrera 2.7 book has been meticulously researched using the Porsche factory archives, private collections, period documentation and intensive study. The book attempts to cover everything an owner, restorer, historian or enthusiast would want to know about this intriguing 911 variant. Content includes comprehensive discussion of original options, photos of key details, insights into factory production, competition history and a considerable amount of material never before published. Although primarily focused on the top-of-the-line mechanically-fuel injected Carrera 2.7, this book will also prove valuable to enthusiasts of any of the Porsche 911 and 930 Turbo models produced during the mid-1970s.

A limited edition of 2,500 numbered hardcover copies will be produced in English with five-color printing on high-quality 150 gram paper and enclosed within a protective slipcase.

406 pages

707 color photos, 146 b/w, 49 diagrams

10 1/4 × 11 1/2 inches (26.0 × 29.2 cm)

Hardcover with slipcase
