Improvise for Real If you dream of improvising your own solos in concerts and jam sessions, playing songs with friends at parties and even composing your own original music, then what you need is a daily music practice that is CREATIVE, FUN and leads to an EASY understanding of harmony. This understanding doesn't come from memorizing "licks" and scale patterns. It comes from exploring the world of harmony directly and discovering it for yourself. In other words, what you really need is a creative daily practice that lets you experience music for yourself and to enjoy creating your OWN music right from the very first day. Improvise for Real will take you into this beautiful wor...
