Kurzbeschreibung

At the dawn of the 1930s, modernism started to influence the American advertising industry as waves from the European avant-garde movement made their way across the Atlantic. The ads of the 1930s reveal nothing of the hard times, painting instead an optimistic picture of affluent family life. Synopsis

At the dawn of the 1930s, modernism started to influence the American advertising industry as waves from the European avant-garde movement made their way across the Atlantic. The ads of the 1930s reveal nothing of the hard times, painting instead an optimistic picture of affluent family life.
